• Mission Statement:
  “Securing the future for Ohio’s Police and Firefighters.”

• Vision Statement:
  “The Ohio Police & Fire Pension Fund will continue to be a leader and model among retirement systems, providing peace of mind to our members and a level of service that exceeds expectations.”

• Core Values:
  o Prudence: “OP&F will make prudent decisions while delivering our benefit services, selecting our investment strategies and executing our operational practices.”
  o Integrity: “The integrity of our organization is based on accuracy, credibility and ethical conduct at all times.”
  o Empathy: “OP&F will respond in an appropriate and timely manner with respect and honesty to all inquiries from every audience.”

II. AUTHORITY

Under section 742.03 (B) Board of trustees to administer and control fund, of the Ohio Revised Code (ORC):

“The administration, control, and management of the Ohio Police and Fire Pension Fund, created under section 742.02 of the Revised Code, is vested in a board of trustees of the Ohio Police and Fire Pension Fund.”

III. FIDUCIARY DUTIES

A. Duty of loyalty – The Board of Trustees is committed to act for the exclusive benefit of OP&F Members and Beneficiaries. The Board of Trustees will put the interest of all OP&F Members and Beneficiaries above their own interests and/or the interests of any third parties.

B. Duty of care – The Board of Trustees will administer OP&F efficiently and properly including consideration and monitoring of the financial sustainability of the plan design and funding practices.

C. Duty of prudence – OP&F’s Board of Trustees will act according to the prudent person rule in exercising power or discretion over the interests that are the subject of the fiduciary relationship. The prudent person rule considers the actions that a reasonable or prudent person would take if put in a similar situation or in the conduct of his or her own affairs.
IV. GOVERNING STYLE

The Board of Trustees of the Ohio Police & Fire Pension Fund (OP&F) has been entrusted with the funds and expectations of its members and has the duty to govern in OP&F’s best interests. The Board of Trustees will remain mindful of its obligation to create and support OP&F’s mission and the vision to move OP&F forward in the future. The Board of Trustees will concentrate on providing strategic leadership and inspiration for the achievement of the purposes of OP&F. It will act as a single Board of Trustees and not as individual members in carrying out its duties. In this spirit, the Board of Trustees will:

A. Concentrate on the achievement of its core obligation and not on the administrative or programmatic means to attain them,

B. Establish the broadest policy based upon the most fundamental values and perspectives of the organization,

C. Do all that is necessary to ensure that the members of the Board remain mindful of their obligations to the Board in order to allow it to govern in accordance with the policy it has established.

D. Remain accountable to the membership, the legislature and the public for the accomplishment of its obligations under its public trust. No officer, committee or individual member of the Board shall hinder the Board’s fulfillment of this commitment or appropriate this role to himself and not the Board of Trustees.

E. Acquire the training and development necessary and appropriate for the completion of its duties.

F. Remain aware of the changing needs of OP&F and its members and develop policy to meet those changing needs.

G. Regularly evaluate its own performance prior to its annual review of the Executive Director’s performance. Board performance will be assessed against the criteria established in the governance policy and will include an assessment of its compliance with the Board policy and an assessment of the effectiveness of the policy.

H. Regularly review this Board Governance Policy Manual annually along with a review of the committee charters by the applicable committee.

I. Develop an in-house training program and maintain a continuous review of outside educational programs available for Trustees and recommend particular programs for its members. A training evaluation form along with a copy of the conference agenda should be submitted with the travel reimbursement package.

J. The board will schedule biennial ethics training as part of their overall Trustee development.
V. TRUSTEE DEVELOPMENT

Each Trustee shall be responsible for preparing himself or herself to undertake the responsibilities and carry out the duties of the office, as more fully described by the following:

A. Each Trustee will acquire the level of knowledge necessary to enable him or her to perform the duties of the office in an informed and competent manner and to meet his or her fiduciary obligations.

B. The Board Trustees will maintain memberships, corporate or individual, in those organizations and groups determined by the Board to be suitable for OP&F.

C. The Board will develop an education program jointly with the other Ohio systems, with the program submitted to the Ohio Retirement Study Council. Newly elected Board members are to complete an orientation program within 90 days of election or appointment. Each Board Trustee who has served a year or longer as a Board Trustee should participate in the continuing education component of the retirement board trustee program at least twice per year.

D. Any new member of the Board of Trustees will undergo an internal orientation within OP&F, which shall include a thorough review and briefing of the policy-making role of the Board and its role in the oversight and governance of OP&F, among other things.

E. Submit the requested training evaluation form to assist with Trustee educational requirements.

VI. BOARD COMPOSITION

Ohio law provides for the Ohio Police & Fire Pension Fund Board of Trustees to be comprised of nine members as outlined in ORC section 742.03. There are six employee members elected to four–year terms by their respective member groups: two representatives of police departments, two representatives of fire departments, one retired firefighter and one retired police officer. The Board also includes three statutory members. Each statutory member—one appointed by the Governor, one by the Treasurer of State, and one appointed jointly by the Senate President and Speaker of the House—must have professional investment expertise.

VII. BOARD OFFICERS AND OFFICES

Chairman, Vice-Chair, and Chair-Elect

There shall be a Chairman, a Vice-Chair, and a Chair-Elect, all of whom are elected by the members of the Board of Trustees. The Chairman and Chair-Elect shall be nominated from the “employee members” of the Board and the Vice-Chair shall be nominated from the “retiree members” of the Board. A Board trustee must have served at least one full year as a member of the Board to be eligible for election to the position of Chairman, Vice-Chair or Chair-Elect, subject to the other provisions of this Section.
Elections to these positions shall be held every year in June, except that the election of the incoming Chairman shall not be required if the person who served as the Chair-Elect was elected according to the terms of this Governance Policy. In such cases, the Chair-Elect shall automatically become the Chairman immediately following the expiration of the current Chairman’s term of office on the Thursday following the last Board meeting in May.

Since the Board has established a rotation in the Chairman and Chair-Elect positions, when the Chairman is a police officer, the Chair-Elect shall be a firefighter. The following year, when the current Chair-Elect who is a firefighter becomes the Chairman, the Chair-Elect will be a police officer so that the Chairman and Chair-Elect positions rotate between police officers and firefighters. In the event that there is not an eligible trustee to fill the Chair-Elect position, the position shall be elected from the remaining eligible members of the Board.

To be elected as the Chairman (except as otherwise provided above), the Vice-Chair and Chair-Elect, as the case may be, a Board trustee must receive a majority of the votes of the entire Board. In the event no candidate for the position of Chairman or Chair-Elect receives the required majority, a run-off election shall be conducted between the candidates receiving the highest number of votes until only two candidates remain. A run-off election shall then be conducted between these two candidates.

The Chairman may not transfer his authority or duties to another, except as otherwise provided in this Section C. In the absence of the Chairman for any Board meetings, the Vice-Chairman shall be the temporary Chairman for that meeting only. In the absence of both the Chairman and Vice-Chair, the Chair-Elect shall serve as the temporary Chairman for that meeting only.

Any vacancy of the employee member who serves as the Chairman shall result in the Vice Chair becoming the Chairman for the balance of the remaining term. In the event of a vacancy of the member serving as the Vice Chair, the Chair-Elect shall serve as Chairman for the balance of the remaining term and the next year for which he was already elected to succeed as Chairman. For purposes of determining whether a vacancy exists, the provisions of ORC section 742.05 shall prevail.

**Duties of the Chairman**

The primary duty of the Chairman is to ensure the integrity of the Board process. The chair is to see that the Board operates consistent with its policies and those imposed from outside the Pension Fund. The Chairman’s duties include convening meetings of the Board; certify Board action as required, executing drafts and other instruments on behalf of OP&F, as required; naming members and temporary members to committees and appointing a chair for that committee; performing other duties required by the Ohio Revised Code. The Chairman will guide the business of the Board to avoid the issues that are clearly within the province of the Executive Director. The Chair will ensure deliberations are timely, fair and orderly but also efficient, limited on time and kept to the point. The Modern Rules of Order tailored to OP&F, are attached as Exhibit A.
Chair-Elect’s Duties and Authority
The Chair-Elect shall act in the absence of the Chairman and the Vice-Chair for any Board meeting. The Chair-Elect shall also prepare for assuming the position of the Chairman.

VIII. CODE OF CONDUCT

Board trustees shall follow the OP&F Ethics Policy, which incorporated ethics requirements, established by the Ohio Ethics Commission. Board trustees shall also follow guidelines established in Administrative Rule 742-16-01 (A-C) and further detailed in the OP&F Board Travel Policy, for travel relating to OP&F business.

Board trustees may not attempt to exercise individual authority over OP&F, the Executive Director or OP&F staff members, except as authorized and established through formal Board action. Board trustees must recognize the lack of individual authority in any Board trustee or group of Board trustees and understand that the authority of the Board rests with the Board, as a whole, and that only the Board may authorize the delegation of its authority. In furtherance thereof, the Board trustee should inform the Executive Director of any meetings involving OP&F business that is held with outsiders when OP&F staff is not involved in such meetings.

In interaction with members of the public, the press, and other entities, Board trustees may represent as the policy or the position of the Board, only those policies and positions of the Board, which have been adopted or approved by formal Board action. Board trustees may not commit the Board or Fund to policy or legislative positions, unless authorized to do so by the Board action taken in an official meeting. The Board of Trustees recognizes the need for its members to communicate with their constituencies and represent their positions. When expressing an opinion or position that dissents from or is at variance with the formal Board opinion or position, a Board trustee must be careful to represent it in such a way that it is not construed as the position or policy of the Board or OP&F.

Board trustees are required by ORC 742.115 to disclose anything of value received from an agent/vendor. This information will be submitted to the OP&F internal auditor for submission annually to the Ethics Commission on a date and form established by the Commission.

Any trustee who fails to attend three consecutive Board meetings, without a valid excuse, is considered to have resigned from the Board. In these cases, the Board is required to declare the Trustee’s office vacated and a vacancy exists as of the date of the resolution. The Ohio Public Records and Open Meeting laws apply to OP&F so proper notices must be given along with conducting meetings in public, with the exception of executive session matters.

Civil action by the Attorney General is possible if an OP&F Trustee breaches his/her fiduciary duty to OP&F. The Attorney General may recover damages or be granted injunctive relief, which shall include an injunction of specified activities and the removal of the Trustee from the Board. Any damages awarded shall be paid to OP&F.
IX. COMMITTEE GUIDELINES

A. Establishment of Committees and Powers – The Board of Trustees shall establish committees with such duties as the Board deems necessary from time to time. Each committee shall serve at the pleasure of the Board of Trustees, shall act only in the intervals between meetings of the Board of Trustees and shall be subject to the control and direction of the Trustees.

B. Appointment of Committee Members – The Chairman shall appoint the members of the committee, including a temporary appointment of a trustee who may take the place of any absent member of the committee for purposes of satisfying the quorum requirements or voting requirements for the period stated by the Chairman.

E. Quorum/Voting

- A majority of the number of Trustees fixed by law must be present in person at such meeting in order to constitute a quorum for the transaction of business. The act of a majority of the trustees present at any meeting at which a quorum is present shall be the act of the Board of trustees. In the absence of a quorum, a majority of those present may adjourn a meeting from time to time until a quorum is had. Notice of an adjourned meeting need not be given.

- Any committee of the Board of Trustees may act by a majority of its members at a meeting. In light of the foregoing, if a committee is comprised of an equal number of Trustees, a quorum will only exist if more than half of the committee members are present for the meeting, which will include a temporary appointment of a trustee to that committee.

BOARD TRAVEL POLICY

Purpose
The Board of Trustees’ recognize that they are being afforded educational opportunities through attendance at various seminars or conferences in order to improve their effectiveness as named fiduciaries of OP&F. The goal of these forums is to improve the operation and administration of the plan solely for the best interests of its members and beneficiaries. To that end, the trustees will make all efforts to utilize these opportunities to the fullest while minimizing costs.

Authority
Ohio Revised Code chapter 742.08 states, “the members of the Board of Trustees of the Ohio Police and Fire Pension Fund shall serve without compensation but shall be reimbursed for their necessary expenses incurred in the performance of their official duties.”

Reimbursable expenses are further discussed under Ohio Administrative Rule 742-16-01. This rule states, “…Board Members may receive reimbursement from the fund for all proper reasonable and necessary expenses actually incurred in the performance of their official duties. Eligible reimbursable expenses include but are not limited to reasonable charges for meals, beverages, tips, lodging, airfare, ground transportation, telephone calls and registration fees.” In order to obtain reimbursement of expenses staff recommends that the following process be followed.

Board of Trustee Guidelines
The following changes are incorporated into the travel policy unless pre-approved by the Board:

• Meal reimbursement of actual costs does not exceed $60 per day
• Trustees should travel to no more than 3 out-of-state educational conference or seminars in a year with a cap of $6,000 per year on actual and necessary travel costs for each trustee. This figure excludes conference registration charges.
• There will be no more than 3 trustees at any one out-of-state educational conference or seminar. This requirement will exclude any trustee that is on a National committee or speaker for that conference.
• All out of state travel needs to be approved by the Board of Trustees before travel may take place. In the case of emergency travel that has to be completed before the next Board meeting, the Chairman and/or Executive Director must approve trip.
• There will be no reimbursement of alcoholic beverages.

“No person who is a member of the board of a state retirement system, a state retirement system investment officer, or an employee of a state retirement system whose position involves substantial and material exercise of discretion in the investment of retirement system funds shall solicit or accept, and no person shall give to that board member, officer, or employee, payment of actual travel expenses, including expenses incurred with the travel for lodging, meals, food, and beverages.”

“Proper, reasonable and necessary expenses” means that the particular service or accommodation was in fact used by, or provided to, the trustee, and was appropriate under the circumstances and within the bounds of prudent judgment for their attendance in official duties at Board and committee meetings, financial/investment due diligence trips, approved educational meetings, and any other additional duties pre-approved by the Board of Trustees.
Board of Trustee out of state reimbursable expenses are limited to those incurred not more than one day before, during the event, and one day after unless a longer stay before or after the event results in lower airfare and the additional hotel and meal expenses do not exceed the savings differential. OP&F purchasing section will document the savings calculation.

Any incident or event that falls outside these policy guidelines must be brought to the Administration Committee to be considered for reimbursement and approval.

Telephone calls or other electronic transmissions for OP&F business and incidental personal use will be reimbursed to the Trustee.

The Board has analyzed their policy and made these adjustments in establishing guidelines and controls over the process for attending educational training, conferences, and seminars. This ties in with the controls already established under the approval and reimbursement process.

Reports for the reimbursement of expenses should be turned into the Executive Assistant in a timely manner, preferably within 30 days from the last day of travel.
