I. PURPOSE

- **Mission Statement:**
  Securing the future for Ohio’s police and firefighters.

- **Vision Statement:**
  The Ohio Police & Fire Pension Fund will continue to be a leader and model among retirement systems, providing peace of mind to our members and a level of service that exceeds expectations.

- **Core Values:**
  o *Prudence:* OP&F will make prudent decisions while delivering our benefit services, selecting our investment strategies and executing our operational practices.
  o *Integrity:* The integrity of our organization is based on accuracy, credibility and ethical conduct at all times.
  o *Empathy:* OP&F will respond in an appropriate and timely manner with respect and honesty to all inquiries from every audience.

II. AUTHORITY

Ohio Revised Code Section 742.03 (B) provides that the administration, control, and management of the Ohio Police & Fire Pension Fund (OP&F) is vested in a Board of Trustees.

III. FIDUCIARY DUTIES

A. **Duty of Loyalty** – The Board of Trustees is committed to act for the exclusive benefit of OP&F members and beneficiaries. The Board of Trustees will put the interest of all OP&F members and beneficiaries above their own interests and/or the interests of any third parties.

B. **Duty of Care** – The Board of Trustees will administer OP&F efficiently and properly including consideration and monitoring of the financial sustainability of the plan design and funding practices.

C. **Duty of Prudence** – OP&F’s Board of Trustees will act according to the prudent person rule in exercising power or discretion over the interests that are the subject of the fiduciary relationship. The prudent person rule considers the actions that a reasonable or prudent person would take if put in a similar situation or in the conduct of his or her own affairs.

IV. GOVERNING STYLE

The Board of Trustees of the Ohio Police & Fire Pension Fund (OP&F) has been entrusted with the funds and expectations of its members and has the duty to govern in OP&F’s best interests. The Board of Trustees will remain mindful of its obligation to create and support
OP&F’s mission and the vision to move OP&F forward in the future. The Board of Trustees will concentrate on providing strategic leadership and inspiration for the achievement of the purposes of OP&F. It will act as a single Board of Trustees and not as individual members in carrying out its duties. In this spirit, the Board of Trustees will:

A. Concentrate on the achievement of its core obligation and not on the administrative or programmatic means to attain them,

B. Establish the broadest policy based upon the most fundamental values and perspectives of the organization,

C. Do all that is necessary to ensure that trustees remain mindful of their obligations to the Board in order to allow it to govern in accordance with the policy it has established.

D. Remain accountable to the membership, the legislature and the public for the accomplishment of its obligations under its public trust. No officer, committee or individual member of the Board shall hinder the Board’s fulfillment of this commitment or appropriate this role to themselves and not the Board of Trustees.

E. Acquire the training and development necessary and appropriate for the completion of its duties.

F. Remain aware of the changing needs of OP&F and its members and develop policy to meet those changing needs.

G. Regularly evaluate its own performance prior to its annual review of the Executive Director’s performance. Board performance will be assessed against the criteria established in the governance policy and will include an assessment of its compliance with the Board policy and an assessment of the effectiveness of the policy.

H. Regularly review this Board Governance Policy Manual annually along with a review of the committee charters by the applicable committee.

I. Develop an in-house training program and maintain a continuous review of outside educational programs available for Trustees and recommend particular programs for its members. A training evaluation form along with a copy of the conference agenda should be submitted with the travel reimbursement package.

J. The Board will attend Ohio Retirement Systems joint ethics training as part of their overall trustee development.

V. TRUSTEE DEVELOPMENT

Each trustee shall be responsible for preparing himself or herself to undertake the responsibilities and carry out the duties of the office, as more fully described by the following:
A. Each trustee will acquire the level of knowledge necessary to enable him or her to perform the duties of the office in an informed and competent manner and to meet his or her fiduciary obligations.

B. The Board of Trustees will maintain memberships, corporate or individual, in those organizations and groups determined by the Board to be suitable for OP&F.

C. The Board will develop an education program jointly with the other Ohio retirement systems, with the program submitted to the Ohio Retirement Study Council (ORSC). Newly-elected Board members are to complete an orientation program within 90 days of election or appointment. Each trustee who has served a year or longer as a trustee should participate in the continuing education component of the retirement board trustee program at least twice per year.

D. Any new member of the Board of Trustees will undergo an internal orientation within OP&F, which shall include a thorough review and briefing of the policy-making role of the Board and its role in the oversight and governance of OP&F, among other things.

E. Trustees will submit the requested training evaluation form to assist with trustee educational requirements.

VI. BOARD COMPOSITION
Ohio law provides for the OP&F Board of Trustees to be comprised of nine members as outlined in Ohio Revised Code Section 742.03. There are six employee members elected to four–year terms by their respective member groups: two representatives of police departments, two representatives of fire departments, one retired firefighter and one retired police officer. The Board also includes three statutory members. Each statutory member—one appointed by the Governor, one by the Treasurer of State, and one appointed jointly by the Senate President and Speaker of the House—must have professional investment expertise.

VII. BOARD OFFICERS AND OFFICES
Chair, Vice-Chair, and Chair-Elect
There shall be a Chair, a Vice-Chair, and a Chair-Elect, all of whom are elected by the members of the Board of Trustees. The Chair and Chair-Elect shall be nominated from the employee members of the Board and the Vice-Chair shall be nominated from the retiree members of the Board. A trustee must have served at least one full year as a member of the Board to be eligible for election to the position of Chair, Vice-Chair or Chair-Elect, subject to the other provisions of this Section.

Elections to these positions shall be held every year in June, except that the election of the incoming Chair shall not be required if the person who served as the Chair-Elect was elected according to the terms of this Governance Policy. In such cases, the Chair-Elect shall automatically become the Chair immediately following the expiration of the current Chair’s term of office on the Thursday following the last Board meeting in May.
Since the Board has established a rotation in the Chair and Chair-Elect positions, when the Chair is a police officer, the Chair-Elect shall be a firefighter. The following year, when the current Chair-Elect who is a firefighter becomes the Chair, the Chair-Elect will be a police officer so that the Chair and Chair-Elect positions rotate between police officers and firefighters. In the event that there is not an eligible trustee to fill the Chair-Elect position, the position shall be elected from the remaining eligible members of the Board.

To be elected as the Chair (except as otherwise provided above), the Vice-Chair and Chair-Elect, as the case may be, a trustee must receive a majority of the votes of the entire Board. In the event no candidate for the position of Chair or Chair-Elect receives the required majority, a run-off election shall be conducted between the candidates receiving the highest number of votes until only two candidates remain. A run-off election shall then be conducted between these two candidates.

The Chair may not transfer his authority or duties to another, except in the absence of the Chair for any Board meetings, the Vice-Chair shall be the temporary Chair for that meeting only. In the absence of both the Chair and Vice-Chair, the Chair-Elect shall serve as the temporary Chair for that meeting only.

Any vacancy of the employee member who serves as the Chair shall result in the Vice Chair becoming the Chair for the balance of the remaining term. In the event of a vacancy of the member serving as the Vice Chair, the Chair-Elect shall serve as Chair for the balance of the remaining term and the next year for which he was already elected to succeed as Chair. For purposes of determining whether a vacancy exists, the provisions of Ohio Revised Code Section 742.05 shall prevail.

**Duties of the Chair**

The primary duty of the Chair is to ensure the integrity of the Board process. The Chair is to see that the Board operates consistent with its policies and those imposed from outside OP&F. The Chair’s duties include convening meetings of the Board; certify Board action as required, executing drafts and other instruments on behalf of OP&F, as required; naming members and temporary members to committees and appointing a Chair for each committee; chairing the Investment Committee and performing other duties required by the Ohio Revised Code. The Chair will guide the business of the Board to avoid the issues that are clearly within the province of the Executive Director. The Chair will ensure deliberations are timely, fair and orderly but also efficient, limited on time and kept to the point. The Modern Rules of Order Tailored for OP&F are attached as Exhibit A.

**Chair-Elect’s Duties and Authority**

The Chair-Elect shall act in the absence of the Chair and the Vice-Chair for any Board meeting. The Chair-Elect shall also prepare for assuming the position of the Chair.

**VIII. CODE OF CONDUCT**

Trustees shall follow the OP&F Ethics Policy, which incorporates ethics requirements, established by the Ohio Ethics Commission. Trustees shall also follow guidelines
established in Administrative Rule 742-16-01 and the OP&F Board Travel Policy for travel relating to OP&F business.

Trustees may not attempt to exercise individual authority over OP&F, the Executive Director or OP&F staff members, except as authorized and established through formal Board action. Trustees must recognize the lack of individual authority in any trustee or group of trustees and understand that the authority of the Board rests with the Board, as a whole, and that only the Board may authorize the delegation of its authority. In furtherance thereof, the trustee should inform the Executive Director of any meetings involving OP&F business that is held with outsiders when OP&F staff is not involved in such meetings.

In interaction with members of the public, the press, and other entities, trustees may represent as the policy or the position of the Board, only those policies and positions of the Board, which have been adopted or approved by formal Board action. Trustees may not commit the Board or OP&F to policy or legislative positions, unless authorized to do so by the Board action taken in an official meeting. The Board of Trustees recognizes the need for its members to communicate with their constituencies and represent their positions. When expressing an opinion or position that dissents from or is at variance with the formal Board opinion or position, a Trustee must be careful to represent it in such a way that it is not construed as the position or policy of the Board or OP&F.

Trustees are required by Ohio Revised Code Section 742.115 to disclose anything of value received from an agent/vendor. This information will be submitted to the OP&F internal auditor for submission annually to the Ohio Ethics Commission on a date and form established by the Commission.

Any trustee who fails to attend three consecutive Board meetings, without a valid excuse, is considered to have resigned from the Board. In these cases, the Board is required to declare the trustee’s office vacated and a vacancy exists as of the date of the resolution. The Ohio Public Records and Open Meeting laws apply to OP&F so proper notices must be given along with conducting meetings in public, with the exception of executive session matters.

Civil action by the Ohio Attorney General is possible if an OP&F trustee breaches his/her fiduciary duty to OP&F. The Attorney General may recover damages or be granted injunctive relief, which shall include an injunction of specified activities and the removal of the trustee from the Board. Any damages awarded shall be paid to OP&F.

IX. COMMITTEE GUIDELINES

A. Establishment of Committees and Powers – The Board of Trustees shall establish committees with such duties as the Board deems necessary from time to time. Each committee shall serve at the pleasure of the Board of Trustees, shall act only in the intervals between meetings of the Board of Trustees and shall be subject to the control and direction of the Trustees.

C. *The Administration/Audit Committee shall be made up of three trustees*: A retired member, an active employee member, and a third member determined by the Chair. E. *Quorum/Voting*
   - A majority of the number of trustees fixed by law must be present in person at such meeting in order to constitute a quorum for the transaction of business. The act of a majority of the trustees present at any meeting at which a quorum is present shall be the act of the Board of Trustees. In the absence of a quorum, a majority of those present may adjourn a meeting from time to time until a quorum is had. Notice of an adjourned meeting need not be given.
   - Any committee of the Board of Trustees may act by a majority of its members at a meeting. In light of the foregoing, if a committee is comprised of an equal number of trustees, a quorum will only exist if more than half of the committee members are present for the meeting, which will include a temporary appointment of a trustee to that committee.

F. *Review of Committee Charters* – The committee charters shall be reviewed annually to determine whether any changes are necessary.

In addition to complying with the restrictions in the Ethics Law and related statutes, no trustee of OP&F who is running for a position on the OP&F Board shall:

For purposes of this policy:
- “Anything of value” includes anything of monetary value, including, but not limited to, money, loans, gifts, food or beverages, social event tickets and expenses, travel expenses, golf outings, consulting fees, compensation, or employment. “Value” means worth greater than de minimis or nominal.
- “Anyone doing business with the Board or system” includes, but is not limited to, any person, corporation, or other party that is doing or seeking to do business with, regulated by, or has interests before the Board or system, including anyone who is known or should be known to be an agent or acting on behalf of such a party, including any partnership of which the system is a partner, any person or entity that has a contract related to investment of the system’s funds, and any person marketing or otherwise attempting to secure business involving the system’s funds.

Evaluation and Changes
This policy shall be evaluated for effectiveness by the OP&F Board of Trustees no less than biennially. The policy may be changed only by a majority vote of the Board, after approval by the Ethics Commission and review by the Ohio Retirement Study Council.

XII. BOARD TRAVEL POLICY

Purpose
The Board of Trustees recognize that they are being afforded educational opportunities through attendance at various seminars or conferences in order to improve their effectiveness as named fiduciaries of OP&F. The goal of these forums is to improve the operation and administration of the plan solely for the best interests of its members and beneficiaries. To that end, the trustees will make all efforts to utilize these opportunities to the fullest while minimizing costs.

Authority
Ohio Revised Code Section 742.08 provides that, “the members of the Board of Trustees of the Ohio Police and Fire Pension Fund shall serve without compensation but shall be reimbursed for their necessary expenses incurred in the performance of their official duties.”

Reimbursable expenses are further discussed under Ohio Administrative Rule 742-16-01. This rule provides that, “…Board Members may receive reimbursement from the fund for all proper reasonable and necessary expenses actually incurred in the performance of their official duties. Eligible reimbursable expenses include but are not limited to reasonable charges for meals, beverages, tips, lodging, airfare, ground transportation, telephone calls and registration fees.” In order to obtain reimbursement of expenses staff recommends that the following process be followed.

Board of Trustee Guidelines
The following changes are incorporated into the travel policy unless pre-approved by the Board:
- Meal reimbursement of actual costs does not exceed $60 per day
• Trustees should travel to no more than three out-of-state educational conference or seminars in a year with a cap of $6,000 per year on actual and necessary travel costs for each trustee. This figure excludes conference registration charges.

• There will be no more than three Trustees at any one out-of-state educational conference or seminar. This requirement will exclude any trustee that is on a National committee or speaker for that conference.

• All out of state travel needs to be approved by the Board of Trustees before travel may take place. In the case of emergency travel that has to be completed before the next Board meeting, the Chair and/or Executive Director must approve trip.

• There will be no reimbursement of alcoholic beverages.

“No person who is a member of the board of a state retirement system, a state retirement system investment officer, or an employee of a state retirement system whose position involves substantial and material exercise of discretion in the investment of retirement system funds shall solicit or accept, and no person shall give to that board member, officer, or employee, payment of actual travel expenses, including expenses incurred with the travel for lodging, meals, food, and beverages.”

“Proper, reasonable and necessary expenses” means that the particular service or accommodation was in fact used by, or provided to, the trustee, and was appropriate under the circumstances and within the bounds of prudent judgment for their attendance in official duties at Board and committee meetings, member out-reach including attendance at active and retired member association meetings, financial/investment due diligence trips, approved educational meetings, and any other additional duties pre-approved by the Board of Trustees.

Trustee out of state reimbursable expenses are limited to those incurred not more than one day before, during the event, and one day after unless a longer stay before or after the event results in lower airfare and the additional hotel and meal expenses do not exceed the savings differential. OP&F procurement section will document the savings calculation.

Any incident or event that falls outside these policy guidelines must be brought to the Administration Committee to be considered for reimbursement and approval.

Telephone calls or other electronic transmissions for OP&F business and incidental personal use will be reimbursed to the trustee.

The Board has analyzed their policy and made these adjustments in establishing guidelines and controls over the process for attending educational training, conferences, and seminars. This ties in with the controls already established under the approval and reimbursement process.

Reports for the reimbursement of expenses should be turned into the Executive Assistant in a timely manner, preferably within 30 days from the last day of travel.
