

MEMBER SERVICE CREDIT PURCHASE CERTIFICATION

Civilian

Please complete this form and return it to OP&F if you wish to purchase service credit. Under Ohio law, OP&F members can purchase service credit for prior full-time service rendered under any of the following Ohio retirement systems: Ohio Public Employees Retirement System, State Teachers Retirement System, School Employees Retirement System, Highway Patrol Retirement System, and the Cincinnati Retirement System. A "purchase" of service credit means that you withdrew your contributions from one of these retirement systems and you wish to buy service credit with OP&F for your time served under these retirement systems. For purposes of determining "full-time service," OP&F may request the member and the member's former employer(s) to certify the full-time service. In any event, however, OP&F will determine that the contributing credit was for "full-time service."
